INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Davis Family Support Center, Inc.
d.b.a. Family Connection Center
Clearfield, UT

We have audited the accompanying statement of financial position of Davis Family Support Center, Inc. d.b.a. Family Connection Center (a nonprofit organization) as of June 30, 2006, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Organization's June 30, 2005 financial statements and, in our report dated August 16, 2005, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Davis Family Support Center, Inc. d.b.a. Family Connection Center as of June 30, 2006, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 30, 2006 on our consideration of Davis Family Support Center, Inc. d.b.a. Family Connection Center's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Davis Family Support Center, Inc. d.b.a. Family Connection Center taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations", and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Notes to Financial Statements
June 30, 2006

1. ORGANIZATION BASIS OF PRESENTATION

Davis Family Support Center, Inc. d.b.a. Family Connection Center (the "Organization") was incorporated under the laws of the State of Utah as a nonprofit corporation on September 24, 1985. The Organization's purpose is to protect children, strengthen and shelter families and individuals, foster self-sufficiency, and facilitate a caring community. The organization does this by providing emergency assistance, food bank operations, parenting education, home-based support, neuro-feedback therapy, child care in times of crisis or stress, support of victims of domestic violence, counseling for marital discord, transitioning out of homelessness, and teaching communication and language skills. The Vision statement of the organization is "When your life has you feeling abandoned, angry, depressed, hopeless, and stressed, the Family Connection Center Team can help put you back on the road to fulfillment-One step at a time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Organization have been prepared on the accrual basis. The Organization follows the provisions of Statements of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations" and SFAS No. 116, "Accounting for Contributions Received and Contributions Made."

The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Estimates in the Financial Statements

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Classes of Net Assets

Revenues and gains are classified based on the presence or absence of donor restrictions and reported in the following net asset categories:

- a. Unrestricted net assets represent the portion of net assets not subject to donor restrictions.
- b. Temporarily restricted net assets arise from contributions that are restricted by the donor for specific purposes or time periods.
- c. Permanently restricted net assets arise from contributions that are restricted by the donor in perpetuity.

All contributions are considered available for unrestricted use, unless specifically restricted by the donors. All expenses are reported as changes in unrestricted net assets.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include time deposits, certificates of deposit, and all highly liquid debt instruments with original maturities of three months or less.

Accounts Receivable and Allowance for Doubtful Accounts

Accounts receivable are carried at their estimated collectible amounts. The Organization's accounts receivable are generally short-term in nature; thus accounts receivable do not bear interest.

Accounts receivable are periodically evaluated for collectibility based on past credit history with customers and their current financial condition. An allowance for doubtful accounts has not been established because management believes that all accounts receivable will be fully collectible.

Food Bank Inventory

Food bank inventory is valued at the estimated fair market value of the food donated.

Fixed Assets

Fixed assets are recorded at acquisition cost, or if donated, at the fair market value at the date donated. The Organization capitalizes additions that exceed \$1,000. Depreciation expense is provided on a straight-line basis over the estimated useful lives of the respective assets, which range from five to twenty-five years. Depreciation expense for the year ended June 30, 2006 was \$62,133.

Contributions

Unconditional promises to give are recognized as revenue when the underlying promises are received by the Organization. Gifts of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Income taxes

The Organization is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for federal income taxes in the accompanying financial statements. In addition, the Organization has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business income for the year ended June 30, 2006.

Donated services

Volunteers and advisors have donated substantial time in assisting the Organization in achieving the goals of its programs. Amounts applicable to donated services that meet the requirements of SFAS No. 116 have been included in the accompanying financial statements.

Government Funding

Funding from all government sources is considered to be unrestricted as long as it is expended under contract guidelines and is expended in the period for which it is contracted.

Concentrations of Credit Risks

The Organization maintains its cash in bank deposit accounts, which at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash. At June 30, 2006, there were no uninsured balances.

The Organization receives a significant amount of its funding from government sources. Decreases in this government support would have an adverse effect upon the Organization.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Investment Securities

The Organization has adopted SFAS No. 124, *Accounting for Certain Investments Held by Not-for-Profit Organizations*. Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Fair Value of Financial Instruments

The Organization has a number of financial instruments, none of which are held for trading purposes. The Organization estimates that the fair value of all financial instruments at June 30, 2006, does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position.

Reclassifications

Certain items from June 30, 2005 have been reclassified to conform to the June 30, 2006 presentation.

We have audited the financial statements of Davis Family Support Center, Inc. d.b.a. Family Connection Center (a nonprofit organization) as of and for the year ended June 30, 2006, and have issued our report thereon dated August 30, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Davis Family Support Center, Inc. d.b.a. Family Connection Center's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Davis Family Support Center, Inc. d.b.a. Family Connection Center's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management, Board of Directors and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Compliance

We have audited the compliance of Davis Family Support Center, Inc. d.b.a. Family Connection Center (a nonprofit organization) with the types of compliance requirements described in the "U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement" that are applicable to each of its major federal programs for the year ended June 30, 2006. Davis Family Support Center, Inc. d.b.a. Family Connection Center's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Davis Family Support Center, Inc. d.b.a. Family Connection Center's management. Our responsibility is to express an opinion of Davis Family Support Center, Inc. d.b.a. Family Connection Center's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Davis Family Support Center, Inc. d.b.a. Family Connection Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Davis Family Support Center, Inc. d.b.a. Family Connection Center's compliance with those requirements.

In our opinion, Davis Family Support Center, Inc. d.b.a. Family Connection Center complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2006.

Internal Control Over Compliance

The management of Davis Family Support Center, Inc. d.b.a. Family Connection Center is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Davis Family Support Center, Inc. d.b.a. Family Connection Center's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the audit committee, management, Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
